Our Weekly Newsletter: Friday 21st September 2018

Dear Parent/Carer,

I would like to share something wonderful with you. I received a phone call yesterday from a very grateful member of the public about one of our Year 5 pupils who took the time to call for help when an elderly member of our community, the lady's father, collapsed outside some shops in Holmewood. This pupil, Annaleece, ran for help whilst others walked past. Because of her selfless act, she saved the man's life. She showed kindness and courage in time of need. Kindness is such an important value, often marked by empathy and vital for humanity, and it is something that we want all our pupils to possess both inside and outside of school. We are working hard at Carrwood to teach our children to show kindness and respect to one another through our learning and everyday interactions. We urge them to say kind words to each other and to demonstrate kindness by their actions. I am certain that we, as adult role models, are able work together to build a community where our children grow to be kind and respectful citizens. Have a peaceful weekend.

Yours faithfully

Ruth Biller
